

Summer With The Arts  
Hello Friends:

Winter, 2009

This letter marks the 19th anniversary of Summer With the Arts. Over the past years this program has provided our community with an annual summer fireworks celebration, youth theater, concerts in the park, and fine arts programs.

Once again, we are asking you to support the Summer With the Arts. This program has been enjoyed by hundreds of participants and spectators because of the generous donations from people like you.

The Marengo Park District is fully committed to and proud to be providing the Marengo community with the Summer With the Arts program each year. Please contact the Family Recreation Center at (815) 568-5126 with any questions or suggestions you may have.

This is truly a community program. We can only continue with your help. Please share as you can, and remember that donations are tax deductible.

Sincerely,

Denise Anderson  
Marengo Park District Director

Barb Warmbold  
Summer With the Arts Program Director
